Dear Sir/Madam,

As parents and members of our community we all recognize the value of a good education for our children and the role that a good organization and its members can play in our community.

The Lady Wolfpack fast pitch softball team is an organization for girls living in the bay area. Through its efforts, the Lady Wolfpack team is committed to its players not only to develop their softball skills, but also to be a factor in the development of their social skills. The Lady Wolfpack strives to be a supplement in its player's education with reference to moral responsibilities by promoting good principals, which can only benefit our community in the future.

We are asking you to help support our players to afford the opportunity to play with us in sanctioned ASA, Regional, National and college show case tournaments. We will be playing in tournaments in California as well as possibly traveling to other states such as Colorado, Illinois, Utah and Washington for championship play or college recruiting opportunities. Each of our players has the drive and determination to be the best that they can be and look to softball to carry them into college.

We are a non-profit group and your contribution is tax deductible. Your generosity will help our players achieve their dreams of playing softball while receiving their education at a four-year college. Our players are most grateful for any support you can offer. Your generous donation will help provide our team with traveling expenses, uniform, tournament fees and any equipment necessities.

We appreciate your prompt consideration to our request and thank you in advance for your generosity.

Sincerely,

The Lady Wolfpack Staff
